Hi Brian and Mindy,

I still need to create a version for New Jersey and Michigan, as well as the tribes(?), but here is the letter with John's edits incorporated. I have also incorporated Mindy's and Ruth's edits into the attachment. This version of the attachment reflects answers to all of Mindy's comments; I checked the regs myself. I also think our letter is compatible with the letter to Governors that the Army sent out today.

Thanks,

*Michael*
